REVIEW PET.258/2024 & CM APPL. 38780/2024

1. The present review petition preferred by the appellants seeks review of order dated 10.05.2024 vide which the Letters Patent Appeal preferred assailing the order dated 06.09.2022 passed by the learned Single Judge was dismissed.
2. Having heard learned counsel for the appellants/review petitioners, we find that he is trying to re-argue the matter by urging new grounds.

This, in our view, would not be permissible within the limited ambit of review jurisdiction.

3. The review petition is, accordingly, dismissed.
