Both of them state that they are happily married and blessed with a girl child. At present, there are no threats from the family members. In fact, the mother of Petitioner is now in contact with her and it appears that the differences have been sorted out, although Petitioner has some reservation against the larger family.

3. In the considered opinion of this Court, no further orders are required to be passed at this stage. The petition is, accordingly, disposed of along with pending applications. Petitioner is, however, at liberty to contact the IO on his mobile phone number, who shall act promptly in case any assistance is required by the Petitioner.
