1. Issue notice.
2. The learned counsel for the respondents accept notice.
3. The petitioner is a street vendor and claims that he is carrying on his vending activities from the site described as "*Near the Gate of Central Park which is situated at Central Park towards the Road Going to Rupa Dairy Krishna Nagar, which is situated at Shahadara South Zone Ward No. E-21*".
4. The petitioner claims that he has been vending food and snacks with gas cylinder/fire at the given site.
5. The Certificate of Vending (COV) issued to the petitioner expressly requires a mobile vendor not to vend from a particular place for more than

thirty minutes or such other duration as may be prescribed by the Town Vending Committee (TVC). The petitioner is, essentially, aggrieved by this condition. The petitioner has made a representation to the TVC and the Municipal Corporation of Delhi (MCD) and prays that directions be issued to the concerned authorities to consider his representation.

6. The learned counsel for the respondents submit that the petitioner's representation would be decided by the second TVC at an appropriate stage. They submit that at the present stage, the COVs issued to the street vendors are interim COVs and the final COVs setting out their categories would be issued at a later date. In the meanwhile, the petitioner would be required to comply with the Terms and Conditions of the COV and not to carry on the vending activities from a fixed place for more than thirty minutes or such duration as may be prescribed by the TVC.

7. The learned counsel for the petitioner submits that he would be satisfied if directions are issued to the respondents not to disturb the petitioner from carrying on vending activities subject to the same being carried on in terms of the COV and further directions be issued that his representation be considered at an appropriate stage. The learned counsel for the respondents have no objection to the same.

8. In view of the above, we direct that the petitioner will not be disturbed or interdicted by the respondents from carrying on the vending activities provided the same are conducted in accordance with law and strictly in accordance with the Terms and Conditions of the COV.

9. We also direct that the representation of the petitioner be considered at an appropriate stage, as stated by the learned counsel for the respondents.

10. The petition is disposed of in the aforesaid terms. Pending applications also stand disposed of.
