1. The present public interest petition has been filed seeking issuance of directions to the respondents to implement Medico Legal Examination and a Postmortem Reports System ("MedLEaPR") project in Delhi in a time bound manner, on similar lines as in Punjab, Haryana and Chandigarh. The petitioner further seeks issuance of directions to the Respondents to declare the post of Forensic Doctor as a sensitive post and direct compulsory rotational transfer of all Forensic Doctors working in the Mortuaries/Forensic Medicine Department in Delhi every three years so as to prevent development of vested interests and unholy nexus.

2. A perusal of the paper book reveals that the Petitioner has made a representation dated 20th August, 2024 to the Respondent which has not been decided till date.

3. Consequently, the present writ petition is disposed of with a direction to Respondent no.2 to decide the Petitioner's representation dated 20th August, 2024 in accordance with law within eight weeks. The rights and contentions of all the parties are left open.
