CM APPL. 73168/2024

Exemption allowed, subject to all just exceptions.

The application stands disposed of.

CM APPL. 73167/2024

1. The present application has been filed seeking condonation of delay of 913 days in filing the appeal. The only reason stated in the application for explaining the inordinate delay is that the appellant 'felt ill severely and then her daughter died', thus, the appellant could not file the appeal within time. We find the said explanation inadequate considering the period of delay is more than 2 ½ years.

2. It is also material to note that the appellant's petition being [W.P. (C) 13583/2021] was also dismissed on the ground of inordinate delay of several

decades.

3. In view of the above the application is dismissed. Consequently, the appeal is also dismissed being barred by limitation.
