**Order**

**05/12/2024**

1. The allegation of encroachment is the basis for filing this Public Interest Litigation. We find that the complaints were made on 19.10.2024 and without waiting for a reasonable period, the petitioners have rushed to the Court by filing this PIL.

2. This is not the appropriate stage for entertaining PIL. If the complaints are not examined within a reasonable period, it will be open for the petitioners to revive the present petition.

3. The writ petition is, accordingly, dismissed.
