CORAM: HONOURABLE MR. JUSTICE RAJIV ROY
ORAL ORDER

2 22-04-2025 Heard Mr. Shivendra Prasad, learned counsel for the

petitioner and Mr. Viveka Nand Singh, learned State Counsel.

2. The present petition has been preferred for the
following relief/s:

*(i) for issuance of an appropriate writ/writs
or order/orders and direction to the
respondent authorities to measure the land
of the petitioner and demark the same
which is not being done in spite of
deposition of required fee amount for the
purpose. The petitioner further prays for
any other relief (s) for which the petitioner*

*may be found entitled in the facts and
circumstances of the present case.*

3. It is unfortunate that for such matters, the petitioner has to invoke the writ jurisdiction. However, a counter affidavit has come on behalf of respondent nos. 2 and 5 duly signed by the Circle Officer, Sadar, Katihar according to which, on 18.04.2023, the land has been measured. The Annexure is also on record.

4. Learned counsel for the petitioner submits that in that background, his grievance stands redressed and the writ petition has become infructuous.

5. The writ petition accordingly stands disposed of.

6. However, the respondents are cautioned to ensure that for such cases, the poor person do not have to approach by filing writ petitions as this can be taken up and disposed of within a time frame as mandated by the Government.
