4. As per the prosecution story, the informant alleged that the marriage took place in the year 2017 and dowry was given but she was always tortured for more dowry. Later, the husband married another lady namely Neha on 07.08.2022, whereafter, though pursuant to a compromise, he undertook to keep his wife with full dignity and honour, later, after assault, threw her from the house without giving her 'streedhan'. She is now living with her parents. This led to the FIR.

5. As recorded, the matter was sent to the Mediation Centre, failed, the petitioner had undertaken that not only he shall be making payment to the lady, shall also be giving her

financial support. He failed to abide by both the undertakings.

7. The petitioner to immediately surrender and seek bail failing which the Police shall ensure his arrest.
