The allegation against the petitioner is of assaulting on the head by iron rod causing serious injury and the hand was also injured. He was taken to the Hospital which led to the FIR.

4. Learned counsel for the petitioner submits that allegation of assault is on the head which has been found to be simple in nature and rest of the assault has been attributed to all the accused persons inasmuch as it is omnibus in nature.

5. Learned APP on the other hand opposes the prayer

submitting that a perusal of the order would show that the right hand little finger was also amputated post assault beside the injury on the head and naturally, the said injury of finger was found to be grievous. The further submission is that the petitioner is named in the 2022 FIR and a belated relief is being sought for.

6. Learned counsel for the petitioner submits that others accused have been granted bail.

7. Be that as it may, the fact remains that he is the named accused, injury is on the head and due to further assault, amputation of a finger also took place.
