ORAL ORDER

3 02-05-2025 The present petition is by way of repeated attempts on behalf of the petitioner for grant of regular bail in connection with Turkauliya (Banjariya) P.S. Case No. 206 of 2019, registered for the offence punishable under Sections 324, 307, 120B, 506/34 of the Indian Penal Code and Section 27 of the Arms Act, inasmuch as all the petitions filed earlier for grant of bail have stood rejected.

2. In pursuance to the earlier order of this Court dated 4.4.2025, the learned Court of District & Additional Sessions Judge-II, East Champaran at Motihari has submitted a letter dated 8.4.2025 wherein it has been stated that out of six charge-sheeted witnesses, four witnesses have already been examined and now only two witnesses i.e. the Investigating Officer and

the Doctor are remaining to be examined, hence, some time be granted to conclude the trial.

3. In view of the aforesaid, the learned Trial Court is requested to ensure completion of examination / cross-examination of the remaining witnesses within a period of four weeks from today and thereafter conclude the trial within a period of six months positively.

4. It is needless to state that the petitioner would be at liberty to approach this Court for grant of regular bail in case the trial is not concluded within a period of six months from today.

5. Accordingly, the present petition stands disposed off as not pressed.
