CORAM: HONOURABLE JUSTICE SMT. SONI SHRIVASTAVA
ORAL ORDER

2 26-05-2025 Heard learned counsel for the petitioner and learned
A.P.P. for the State.

2. The petitioner seeks bail in a case registered for the offences punishable u/s 137(2), 140(1), 140(3), 85, 351(2) & (3), 3(5) of the BNS, 2023.

3. The First Information Report discloses that the informant's daughter was married to one Sonu Kumar in the year 2013 whereafter she was being tortured for dowry and there were three children out the wedlock. It has further been alleged that even after the death of the husband of the informant's daughter, her in-laws including the present petitioner, who is father-in-law, kept on torturing her and on

12.09.2024, the informant received an information that his daughter has been done to death and the dead body is missing. It has also been alleged that three children of his daughter were also missing and thus, the entire family of the husband of the deceased was made accused in the present case.

4. Learned counsel for the petitioner submits that it would be apparent from the FIR itself that the marriage of the informant's daughter dates back to the year 2013 and after a lapse of so many years, there is no question of demand of dowry and the consequent torture with regard thereof. It is further submitted that as a matter of fact, the daughter of the informant had committed suicide and since the petitioner and his family had cremated the dead body, it is due to such reason that they have all been made accused in the present case. It is further submitted that three children of the deceased did not go missing rather they are staying along with their grandmother, who is wife of the present petitioner and such fact has also been stated in para 8 of the petition. It is next submitted that the independent witnesses, who have been examined during the course of investigation, have also supported the fact that it was a case of suicide and not murder. Further, it is submitted that charge sheet has already been submitted against the petitioner

and he is in custody since 04.10.2024 with no criminal antecedent.

5. Learned APP for the State, however, opposes the prayer for regular bail.

6. Considering the above-mentioned facts and circumstances and particularly that three children of the deceased are staying along with their grandmother, wife of the present petitioner, the above named petitioner is directed to be enlarged on bail on furnishing bail bond of Rs. 10,000/- (Rupees Ten Thousand) with two sureties of the like amount each to the satisfaction of the learned Court below where the case is pending/successor Court in connection with Pipalwa P.S. Case No. 126 of 2024.

7. However, the petitioner is directed to cooperate in the trial and remain physically present in the court on each and every date till the charges are framed.
