ORAL ORDER

(Per: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD)

3 25-02-2025 We reject the application seeking condonation of delay as we find that a trend is developing now at the Bar not to calculate the period of limitation and mention it in the application seeking condonation of delay. This practice needs to be discouraged.

2. We further find that even the affidavit enclosed with the application does not confirm to the requirements of law to state which part of the statement made in the application are true to the knowledge of the deponent and which part are based on the information derived from the records. It cannot said to be

an affidavit.

3. The application is rejected for these reasons but
with liberty to the petitioner to file a fresh application.
