2. The petitioners have approached this Court for the following reliefs :-

“I. benefit from the date of their entitlement, the petitioners are at loss of seniority etc.

II. For issuance of an appropriate writ in the nature of mandamus for commanding and directing the respondent authorities concerned to consider the case of the petitioners in the light of the aforesaid letter no. 571 dated 13.06.2023 issued under the signature of the Director, Primary Education, Education Department, Govt. of Bihar, Patna as also the memo no. 383 dated 03.04.2025 issued by the District Programme Officer (Establishment), Gaya, which have been issued in compliance of the judicial orders passed by this Hon'ble High Court, and provide the notional benefits from the date of completion of training, as there is laches on the part of the respondent/State for not sending the petitioners for in-service teachers training course and taking examination belatedly in which all the petitioners successfully passed.

completion of teachers training and monetary benefits since 01.10.2003.

IV. For issuance of any other appropriate writ/writs, order/orders, direction/directions for which the writ petitioners will be found entitled in the facts and circumstances of the case.”

3. Mr. Mishra, learned Advocate for the petitioners adverting to the facts submitted that the issue raised before this Court has come up for consideration before a Bench of this Court in C.W.J.C. No. 16165/2019 and the Court having taken note of the facts that the petitioners were sent for the training in academic session in the year 2014-15 and the course was completed in May, 2017, hence, no reason was found to deny the benefit of trained pay scale to the petitioners with effect from May, 2017 when the course was completed as the petitioners of the said writ petition have completed their training but for the reason best known to the respondents the examination could not be held in time and the result was published belatedly along with the junior batch. The Court further observed that the respondents cannot take advantage of his own wrong in defeating the genuine claim. Similar matters have further come up for consideration in C.W.J.C. No. 7938/2020 wherein the identical relief has been accorded to the petitioners in light of the afore-noted decisions. The State being

aggrieved also preferred Letters Patent Appeal, bearing L.P.A. bearing no. 456/2021, which also came to be dismissed vide order dated 03.04.2025. It is further submitted that in some of the matters where the claim of the identically situated persons have been rejected by the Regional Deputy Director of Education, the aggrieved persons also approached before this Court in C.W.J.C. No. 1774 of 2025 against the impugned order whereby the claim of identically situated persons were rejected, the same has also been set aside vide order dated 10.11.2025.

4. In light of the afore-noted settled legal position, the persons who have approached before this Court they have been allowed the benefit of trained scale with effect from the date of completion of their training, however discrimination has been caused, despite the Bihar litigation policy, 2011, duly formulated by the State. The petitioners have also approached before the authorities concerned by filing representations and are pending consideration but till date no positive decision have been taken, compelling the petitioners to approach this Court.

5. Learned Advocate for the State is present.

6. There is no confrontation with regard to the legal position as stated in the writ petition. Thus, in view of the aforesaid submissions advanced by the learned Advocate for the

respective parties and the materials available on record, this Court deems it fit and proper to dispose of the writ petition with a direction to the concerned District Programme Officer (Establishment), Nalanda, to look into the grievance of the petitioner, as raised in their representations; the copy of which are marked as Annexure-P/9 series and dispose of the same keeping in mind the specific prescriptions provided under the Bihar State Litigation Policy, 2011, especially Clause 4(c)(i), thereof, preferably, within a period of twelve weeks from the date of receipt/production of a copy of this order. Suffice it to observe that the respondent authority shall also ensure the admissible and consequential benefits as have been accorded to the other identically situated persons on being found their claim justified.

7. Accordingly, this writ petition stands disposed of.
