there is inordinate delay in lodging of the F.I.R and the

made an accused in the present case. It is also not clear as to what

kind of injuries suffered by the injured, however a discharge summary of a private hospital, which is a part of the case diary, indicates that Md. Rahis suffered some injury on the parietal region, for which CT-Scan has been done. It has further been submitted that the injured was never taken to the government hospital for treatment.
