For the Accountant General : Mr.Arun Kumar Arun, Advocate

CORAM: HONOURABLE MR. JUSTICE HARISH KUMAR
ORAL ORDER

2 23-09-2025 Heard the parties.

2. A batch of 154 teachers/ head masters of different classes have approached this Court seeking following reliefs:-

“I. For issuance of an appropriate writ in the nature of mandamus for commanding and directing the respondent authorities concerned to provide the benefits in the light of letter no. 571 dated 13.06.2023 issued under the signature of

the Director, Primary Education, Education Department, Govt. of Bihar, Patna, in compliance of the order passed by this Hon'ble High Court on 09.08.2019 in CWJC No. 16165 of 2019 (Kishor Kumar and Others vs. the State of Bihar and Others) as also in the light of memo no. 383 dated 03.04.2025 issued by the District Programme Officer (Establishment), Gaya in compliance of the order dated 14.11.2024 passed by this Hon'ble High Court in CWJC No. 7006/2024 (Jitendra Kumar and Others vs. the State of Bihar and Others) by which, direction has been given for providing the notional benefits of trained pay scale from the date of relieving after completion of training and monetary benefits since 01.10.2003 and since the petitioners had been sent for one year in-service teachers training course for the session 2000-2001 and after completion of training, they were relieved to join their respective schools on different dates in the year 2001 and in the light of the aforesaid letters, the petitioners are entitled for grant of notional benefits from the date of relieving from teachers training, the date on which, they were relieved to join their respective schools after completion of training and due to not providing the notional benefit from the date of their entitlement, the petitioners are at loss of seniority etc.

II. For issuance of an appropriate writ in the nature of mandamus for commanding and directing the respondent authorities concerned to consider the case of the petitioners in the light of the aforesaid letter no. 571 dated 13.06.2023 issued under the signature of the Director, Primary Education, Education Department, Govt. of Bihar, Patna as also the memo no. 383 dated 03.04.2025 issued by the District Programme Officer (Establishment), Gaya, which have been issued in compliance of the judicial orders passed by this Hon'ble High Court, and provide the notional benefits from the date of completion of training, as there is laches on the part of the respondent/State for not sending the petitioners for in-service teachers training course and taking examination belatedly in which all the petitioners successfully passed.

III. For issuance of an appropriate writ in the nature of mandamus as an alternative prayer of the petitioners for directing the respondent authorities concerned to dispose of the representations of the petitioners dated 21.07.2025 and 22.07.2025 addressed to the District Education Officer, Patna and the District Programme Officer (Establishment), Patna respectively and representations dated 15.07.2025 to the District Education Officer, Sitamarhi and the District Programme Officer (Establishment), Sitamarhi as well as representation dated 14.07.2025 addressed to the District Education Officer, Rohtas at Sasaram, by reasoned and speaking order by ventilating the genuine grievance of the petitioners for providing the notional benefits from the date of relieving after successful completion of teachers training and monetary benefits since 01.10.2003."

3. Mr. Mishra, learned Advocate for the petitioners adverting to the facts submitted that the issue raised before this Court has come up for consideration before a Bench of this Court in C.W.J.C. No. 16165/2019 and the Court having taken note of the facts that the petitioners were sent for the training in academic session in the year 2014-15 and the course was completed in May, 2017, hence no reason was found to deny the benefit of trained pay scale to the petitioners with effect from May, 2017 when the course was completed as the petitioners of the said writ petition have completed their training but for the reason best known to the respondents the examination could not be held in time and the result was published belatedly along with the junior batch. The Court further observed that the

respondents cannot take advantage of his own wrong in defeating the genuine claim. Similar matters have further come up for consideration in C.W.J.C. No. 7938/2020 wherein the identical relief has been accorded to the petitioners in light of the afore-noted decisions. The State being aggrieved also preferred Letters Patent Appeal L.P.A. bearing no. 456/2021 which also came to be dismissed vide order dated 03.04.2025.

4. In light of the afore-noted settled legal position, the persons who have approached before this Court they have been allowed the benefit of trained scale with effect from the date of completion of their training, however discrimination has been caused, despite the Bihar litigation policy, 2011, duly formulated by the State. The petitioners have also approached before the authorities concerned by filing representations and are pending consideration but till date no positive decision have been taken, compelling the petitioners to approach this Court.

5. Learned Advocate for the State and Accountant General are present.

6. There is no confrontation with regard to the legal position as stated in the writ petition. In view of the aforesaid submissions advanced this Court deems it fit and proper to dispose of the writ petition with a liberty to the petitioners to file

a district-wise representation before the concerned District Programme Officer (Establishment) preferably within a period of four weeks from today. In case such representations are filed the concerned respondent shall be under obligation to consider the same and dispose of them in the light of the afore-noted decisions preferably within a further period of 12 weeks. Suffice it to observe that the respondent authority shall also ensure the admissible and consequential benefits as have been accorded to the other identically situated persons on being found their claim justified.

7. Accordingly, this writ petition stands disposed of.

(Harish Kumar, J)
