ORAL ORDER

2 28-11-2025 2. Heard learned counsel for the petitioner and
learned APP for the State.

3. The petitioner apprehends his arrest in connection
with Sonpur P.S. Case no.616 of 2025 registered for the offence
under Sections 126(2), 115(2), 303(2), 118(2), 352, 351(2) and
3(5) of the B.N.S, 2023.

4. As per the prosecution case, the informant states
that the petitioner herein came to the house of the informant
variously armed and started abusing the informant. On protest
the petitioner assaulted the informant by means of axe causing
injuries to him.

5. Learned counsel for the petitioner submits that it
would be apparent from the F.I.R that a petty dispute had taken
place between the children which led to some scuffle between
the parties, however injury report of the informant, which is
annexed as Annexure-P/2 to the petition, indicates that injuries
are simple in nature caused by hard and blunt object and thus,

allegation of assault by means of axe also gets falsified. It is further submitted that parties gave compromised the matter which is Annexure-P/3 to the application. The petitioner has no criminal antecedent and undertakes to cooperate in investigation/trial.

6. The application for anticipatory bail is opposed by learned A.P.P. for the State.

7. Taking into consideration the aforesaid facts and circumstances of the fact and also considering that injury sustained by the informant is simple in nature coupled with the fact that parties have compromised the matter, it is directed that the petitioner, above named, in the event of his arrest or surrender before the learned Court below within a period of four weeks, be released on anticipatory bail in connection with Sonpur P.S. Case no.616 of 2025 on furnishing bail bond of Rs.10,000/- (Rupees Ten Thousand) with two sureties of the like amount each to the satisfaction of the learned court concerned where the case is pending, subject to the condition laid down under Section 438(2) of the Code of Criminal Procedure/Section 482(2) of the B.N.S.S, 2023.
