The main thrust of allegation is against the husband of the informant and as per case of the prosecution, the occurrence is of 27.05.2025 and the informant went to the doctor on 12.06.2025. From perusal of the order of the learned trial court, it is clear that learned trial court has recorded “( para- ‘39’ of the case diary mentions the written

statement of Dr. Usha Sinha who has stated therein that on 12.06.2025, she treated the informant with complain that her menstrual cycle has missed for one and half month and since 12.06.2025, the bleeding has started.
