...for respondent no.5

The petitioner objects to the new electricity connection granted in favour of respondent no. 5 for operating a submersible pump. It is submitted that respondent no. 5 does not meet the criteria for such a connection.

On the other hand, learned counsel for respondent no. 5 has submitted an order dated November 5, 2024, in WPA 17624 of 2024 (Lalchand Sk. vs. WBSEDCL & Ors.), by which a Coordinate Bench of this Court disposed of the writ petition by directing the relevant Station Manager to take steps to effect the connection in favour of respondent no. 5 at the earliest convenient time.

In light of this order, there is no scope for this Bench to issue a contrary direction.

Accordingly, **WPA 420 of 2025** is dismissed, with liberty granted to the petitioner to take necessary steps in accordance with the law.

Urgent photostat certified copy of this order, if applied for, be supplied to the learned advocates for the parties on usual undertakings.
