W.P.A.776 of 2025

**Ajoy Porel & Anr.
Versus
The State of West Bengal & Ors.**

Mr. Anil Kumar Chattopadhyay.
...for the petitioners.

Mr. Wasim Ahmed
Mr. Md. Shehabuddin.
...for the State-respondents.

Affidavit-of-service filed by the petitioners be
kept with the record.

Petitioners are aggrieved by the fact that the
relations are objecting to water connection being
supplied to the petitioners. To that effect, information
have been furnished to the police authorities, but no
action has been taken.

Mr. Ahmed, learned advocate appearing for
the State has submitted a report. Report reflects that
the Public Health Engineering Department had
sanctioned the water connection and proceeded to
implement the scheme but the villagers raised
objection claiming that the installation of the water
tap beside the public place in stead of their own place
would cause damage to the road and obstruct the
pedestrian movement.

If the PHE Department had sanctioned the water connection for implementing the scheme, the police authorities would ensure that there is no breach of the peace at the time when the connection which has been sanctioned under the scheme is implemented. No untoward incident should arise because of the inimical relationship between the parties. Water being an essential service, in case the same is disrupted, police authorities would draw appropriate proceedings against the persons, adhering to the provisions of law.

With the aforesaid observations, WPA 776 of 2025 is disposed of.

There will be no order as to costs.

Report submitted by the State be kept with the record.

A copy of the report be handed over to the learned advocate appearing for the petitioners.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.

Urgent photostat certified copies of this order, if applied for, be given to the parties upon compliance of all requisite formalities.
