***The Deputy Magistrate and Deputy
Collector, Bidhannagar & Anr.***

Mr. V.V.V. Sastry

Mr. Aniruddha Goyal

.... For the petitioners.

Mr. Indranil Roy

Mr. Ayan Banerjee

.... For the State.

Mr. Anirudh Goyal, learned advocate, appears
for the petitioners.

The instant writ petition has been filed seeking
quashing of a demand raised by the State
authorities under **Bengal Public Demand Recovery
Act, 1913.**

Mr. Indranil Roy, learned Senior Counsel
appearing for the State-respondents places a bunch
of orders passed in the connected proceeding
wherefrom it appears that by an order dated
February 11, 2025, the demand dated **January 17,
2025** which is impugned in this writ petition has
been revoked and as such the instant writ petition
has lost its force and has become infructuous. The
documents placed by the learned Senior Counsel

appearing for the State-respondents, are taken on record.

Learned counsel appearing for the petitioners has already confirmed such position. Accordingly, since the demand has been revoked nothing further survives in this writ petition.

This writ petition, **WPA 2876 of 2025** stands **dismissed as infructuous**.

It is made clear that this Court has not gone into the merits of the demand or the proceeding connected therewith.

The respondent shall be at liberty to take steps in accordance with law, if they are permitted to do in law.

(Aniruddha Roy, J.)
