Affidavit of service filed on behalf of the
petitioners is taken on record.

It is submitted on behalf of the parties that
statutory appeal is pending before the Central
Government.

Learned senior counsel appearing on behalf of
the petitioners submits that although statutory appeal
is pending in this regard, it does not deter this Court
from exercising jurisdiction since a wrong has been
done by the respondent authorities and the counseling
process has already commenced.

Learned counsel appearing on behalf of the respondent no. 1 submits that the efforts can be made from all quarters to have the appeal disposed of at the earliest.

It appears that a statutory appeal is pending before the Central Government.

In view of the above, the writ petition is disposed of by requesting the Central Government to dispose of the appeal in accordance with law and upon hearing the interested parties at the earliest, preferably within three weeks from the date of communicate of this order.

As affidavits were not called for, the allegations made in the writ petition are deemed not to have been admitted.

With these observations, the writ petition is disposed of.

Urgent photostat certified copies of this order may be delivered to the learned Advocates for the parties, if applied for, upon compliance.
