1. This public interest writ petition filed by a person with several philanthropic welfare activities.

2. We failed to understand as to how the petitioner all of a sudden woke up and found that there are encroachments. If the petitioner is so concerned, he should take action for the entire city of Kolkata.

3. Therefore, we find no reason to issue the direction as sought for.

4. However, this will not prevent the petitioner from pursuing his representation with the authorities.

5. The matter stands dismissed with observation.
