The petitioner is aggrieved by the fact that the private respondents are bent upon their illegal atrocities being inflicted upon the petitioner and to that extent, information has been furnished and cases have been registered by Karaya Police Station, but the private respondents have been pursuing their acts and actions in spite of criminal cases being registered. The grievance of the petitioner is relating to threat of her life and liberty and the repeated incidents happening at the behest of the private respondents.

Commissioner of Police in-charge of Karaya Police Station. The Deputy Commissioner of Police will supervise in respect of the accusations made and the petitioner's life and liberty not being at threat at the behest of any miscreants and/or the private respondents. In case any further complaint is received, the Deputy Commissioner of Police will depute an authorised officer of his choice for assessing the veracity of the accusations and then take steps in accordance with law against the persons who may be involved in the incidents complained of by the petitioner.

The police authorities would also keep a strict vigil and ensure that there is no breach of the peace or tranquility taking place and/or no other untoward incident resulting from the side of the private respondents or any other miscreants because of the petitioner having complained regarding unauthorised construction or any other illegal activity taking place at the locale.
