concerned. To that effect, the petitioner
submits that he has made accusations
that there has been siphoning in the
government offices to the tune of Rs.1.18
crore, but, in spite of that no action has

been taken against the erring individuals.

Learned advocate for the respondent no.5 opposes the contentions and submits that the writ petition itself is not maintainable as no specific accusations have been made against him.

Learned advocate for the respondent nos. 4 and 6 to 12 is present and submits that, *prima facie*, the writ petition is not maintainable as all the funds have been utilized and the respondent no.4 & 6-12 would be in a position to present proper accounts to the appropriate authorities as and when be called for to do so.
