... For the State.

Report submitted by the State is taken on record.

Bail prayer of the petitioner was turned down by this Court earlier considering the merits of the case.

The petitioner seeks bail on medical ground.

Heard learned counsels for the parties.

It appears from the report that the petitioner is currently admitted in Kolkata Police Hospital and is stated to be haemodynamically stable. The report further indicates that his treatment can be continued at SSKM Hospital, Presidency Correctional Home Ward after his discharge from the police hospital.

Since it appears that the petitioner is being adequately looking after and treated in custody, his release on bail on medical grounds does not arise.

The prayer for bail is accordingly rejected at this stage.

The Superintendent of the concerned correctional home is directed to render necessary medical assistance to the petitioner as and when required.

The application is disposed of.

Urgent certified website copy of this order, if applied for, be supplied to the parties upon compliance with all requisite formalities.
