Vs.
Nishant Jalan and another

Mr. Shounak Mukhopadhyay
Mr. Siddharth Shroff

... for the applicant

Mr. Abhishek Banerjee
Mr. Roshan Sengupta

... for the alleged contemnor

In my view, both the contempt and review petition have been infructuous as the suit has been decreed. The proceedings for mesne profits are yet to be completed.

Under such circumstances, if any occupational charge and/or arrear rent is payable by the defendant in the suit, the same will be considered while calculating the mesne profit.

The contempt proceedings are dropped. The review petition stands disposed of.
