The petitioner is in custody for about six months and prays
for bail.

Learned counsel for the petitioner submits that the test
identification parade and the alleged recovery pursuant to his
statement were done much after his arrest. The seized articles have
not been sent for forensic examination. Charge sheet has been
submitted. His further detention is not required.

Learned counsel for the State and the defacto complainant
oppose the prayer.

I have considered the material on record.

The case pertains to brutal murder of a person. The petitioner
has been identified in the test identification parade. The offending
weapon has been recovered at his instance. The seized articles
including the offending weapon have been sent for forensic
examination. Report is awaited. The petitioner has several criminal

antecedents and according to the defacto complainant, is a noted criminal of the locality

Considering the gravity of the offence and prima facie involvement of the petitioner in the offence, prayer for bail is rejected at this stage.

The application for bail is disposed of.

Case Diary be returned.

Urgent certified website copy of this order, if applied for, be supplied to the parties upon compliance with all requisite formalities.
