The petitioner submits that 21kg 300gms of ganja was allegedly recovered from the possession of present petitioner and he is in custody for about six months and though investigation completed but the trial has not yet started and as such it will take long time to conclude the trial and for which he may be granted bail on any terms and conditions.

Learned Counsel appearing on behalf of the State vehemently opposed the bail prayer contending that commercial quantity of Narcotics substance was recovered from the exclusive possession of the present petitioner and that one co-accused is still absconding and if he is released on bail there is serious chance of his absconscion.

Having heard learned counsel appearing on behalf of the petitioner and the State and also on perusal of the materials available in the record, I find that the rigour of Section 37 of the NDPS Act attracts in the present case and as such prayer for bail is considered and rejected.

Accordingly, CRM (NDPS) 404 of 2025 is disposed of.

Urgent Photostat certified copy of this order, if applied for, be given to the parties upon compliance of all requisite formalities.
