W.P.A. 9909 of 2024

**Swapan Purkait
Versus
State of West Bengal & Ors.**

Mr. Saumen Gayen

...for the petitioner.

Mr. Bibekananda Tripathy

...for the private respondent.

Ms. Jyotsna Roy Mukherjee

...for the State.

The present writ petition was preferred by the petitioner as the police authorities did not respond to the information so furnished and also did not take appropriate steps. Petitioner prayed for necessary protection for him and his family members so that they cannot be thrown out or evicting from the plot of land as is referred to in the writ petition.

Learned advocate for the private respondent submits that a long standing land dispute is existing between the petitioner and the private respondents.

Learned advocate for the State is present and submits that the nature of the dispute is absolutely a civil dispute.

In view of the apprehension expressed by the petitioner and the passage of time which has passed in the meantime, I direct that in case the accusations of the petitioner are found to be relevant, police authorities would ensure that no untoward incident results because of the strained relationship existing between the petitioner and the private respondents.

With the aforesaid observations WPA 9909 of 2024 is disposed of.

All parties shall act on the server copy of this order duly downloaded from the official website of this Court.
