...for the State

Affidavit-of-service filed by the petitioner be kept
with the record.

Petitioner complains that he is being interfered
with and disturbed in pisciculture at the part of the
property wherein he has rearing the fish. To that effect
inspite of informing the police authorities no steps have
been taken.

State has submitted a report. Report reflects that
four cases have already been registered, out of which
charge-sheet has been submitted in two of the cases and
in rest of the cases investigation is still under progress. A
proceeding under Section 126 of BNSS has also been
drawn on or about 25.04.2025.

Learned advocate appearing for the private
respondents submit that the private respondents are also
involved in pisciculture but they had never interfered with
the part of the property which belongs to the petitioner

and had been concentrating on the pisciculture in respect of the portion assigned to them.

Police authorities have also drawn up proceedings under Section 126 of BNSS, police authorities would continue their surveillance and ensure that no untoward incident results because of the inimical relationship existing between the petitioner and the private respondents.

With the aforesaid observations WPA 9274 of 2025 is disposed of.

Report so submitted by the State be kept with the record.
