Mr. Soumik Ganguli
... for the respondent no. 6

The petitioner has approached this court as he has been obstructed from enjoying his property. There are documents of civil proceeding(s).

The petitioner complains that since the civil suit has been dismissed, the police authorities should make a passage for the petitioner to enter into his premises.

A report has been submitted by the learned advocate for the State which reflects that the petitioner is in possession

of the property, while the respondent no.5 is in possession of one room in respect of the four other rooms, the same is in possession of the petitioner which has been tenanted out.

Be that as it may, this court will not interfere into the said zone since an alternative efficacious remedy is available to the petitioner.

Having considered the same, I am of the view that the writ petition is not maintainable, as such, WPA 9545 of 2025 is **dismissed**.

Pending application(s), if any, is also disposed of.

Report so submitted be kept with the record. Copies of the report be handed over to both the parties.

Parties to act on a server copy of this order duly collected from the official website of the Hon'ble High Court, Calcutta.
