Electronica India Limited
v.
The Registrar of Trade Marks, Trade Mark Registry,
Kolkata & Anr.

Mr. S. Gupta
Mr. Souparna S. Roy ... for the petitioner.

Affidavit of service filed on behalf of the petitioner
be kept with the records.

This is a revisional application directed against the
long pendency of an application for registration of a trade
mark which was filed as far as back on 20th August, 2014.

It is submitted on behalf of the petitioner that
despite lapse of nearly a decade, the matter is being
unnecessarily procrastinated by the Registry on frivolous
grounds.

Despite an amendment application being filed as far
as back on 22nd November, 2018 seeking change of the
name of the petitioner, no effective steps whatsoever have
been taken by the respondent authorities.

None appears on behalf of the respondents nor is
any adjournment prayed for on their behalf.

It appears from the available records that the
matter has simply procrastinated and unnecessary
adjournments are being granted by the respondent
authorities.

In view of the above and the unexplained and inordinate delay, CR-IPD 5 of 2025 stands disposed of by directing the respondent authorities to act expeditiously, in accordance with law, and dispose of the application for registration of the subject trade mark within a period of six months from the date of communication of this order.

It is made clear that there has been no expression on the merits of the case and all questions are left to be decided by the respondent authorities in accordance with law.

There shall, however, be no order as to costs.

Urgent Photostat certified copy of the order if applied for, be made over to the parties as expeditiously as possible.
