Affidavit of service filed on behalf of the petitioner is taken on record.

Petitioner made application for transfer on Utsashree Portal on 14th March, 2022 since petitioner was suffering from gynecological disorder. Transfer application of the petitioner was sent back by the District Inspector of Schools (S.E.) Paschim Bardhaman being respondent no. 4 due to confusion arose with regard to medical report as it appears from the endorsement made by the school authority on 11th July, 2022 which is apparent from the document at Page 25. On perusal of the endorsement made by the school authority considering the report of concerned CMOH same is found to be contradictory requiring fresh medical examination to be carried out

in order to ascertain present health condition of the petitioner.

It appears from the said document at Page 25 that through portal transfer application was sent back to the petitioner through the school authority. School authorities being respondent no. 5 to 7 are directed to forward the transfer application dated 14th March, 2022 again to the respondent no. 4 by fortnight from the date of communication of this order in offline mode. On receipt of transfer application respondent no. 4 shall obtain medical report from concerned Chief Medical Officer of Health/ Medical Board by four weeks thereafter. In the medical report CMOH/Medical Board is required to opine whether the present health condition of the petitioner is such which requires the petitioner to avoid long distance journey.

If medical report justifies transfer of the petitioner, transfer application along with medical report shall be forwarded to the Chairman, West Bengal Central School Service Commission being respondent no. 2 by fortnight thereafter. On receipt of transfer application and medical report respondent no. 2 shall take decision in accordance with law within a period of four weeks thereafter. The decision to be taken by the respondent no. 2 shall be

communicated to the petitioner by fortnight thereafter.

It is made clear that suspension of portal shall not be a ground to reject transfer application.

Accordingly, WPA 13178 of 2025 stands disposed of.
