Versus
State of West Bengal and Ors.

Ms. Ambiya Khatun, Adv.

...For the Applicant

1. We have heard the learned advocate for the applicant and peruse the order passed in the writ petition dated 4th January, 2024. Taking note of the facts and circumstances, the writ petition was disposed of with certain observations.
2. The present attempt of the applicant is to engage a different counsel and seeks for the review of the order which cannot be a ground. Apart from that, we find no error which is apparent in the fact of the order and we find no ground to exercise review jurisdiction.
3. Accordingly, RVW/156/2024 along with CAN/1/2024 and CAN/2/2024 are dismissed.
