In re: An application for bail under Section 483 of the Bharatiya
Nagarik Suraksha Sanhita, 2023 filed in connection with the TR Case
No. 20 of 2024 arising out of Sankrail Police Station Case No. 742 of

And

In re: Pawan Jaiswal **... petitioner**

Mr. Minhaz Serweny Islam ...for the petitioner

Mr. Kunal Ganguly ...for the State

Prosecution case is that leading statement of the present
petitioner 100 bottles of cough syrup containing codeine phosphate
was recovered from his possession and he was arrested on 25th
November, 2024.

Learned Counsel appearing on behalf of the petitioner submits
that the other co-accused persons have been already granted bail
being the associate of valid licence holder and he is almost on the
same footing and as such he may also be granted bail. He further
submits that the petitioner has been described as an associate of
Advance Health Care Unit, who has a valid licence.

Learned Counsel appearing on behalf of the State submits that
the bail prayer of the petitioner was rejected on 24th April, 2025 after
considering all the submissions of the present petitioner and no new
circumstances has arisen to reconsider the same.

Having heard learned Counsel for the petitioner and the State
and that the commercial quantity of Narcotic substance was recovered
from the possession of the present petitioner and that his bail prayer
was rejected on 24th April, 2025 with a direction upon trial Court to
conclude trial within a time frame and no new circumstances has

arisen since then to reconsider his prayer, I find no substance in the petitioner's contention and as such the prayer for bail is considered and rejected.

The application, being CRM (NDPS) 798 of 2025 is accordingly disposed of.

Urgent Photostat certified copy of this order, if applied for, be given to the parties upon compliance of all requisite formalities.
