The State of WB & Ors.

... for the private respondent nos. 4 to 8

The petitioner is aggrieved by the fact that inspite of the representation being made before the Superintendent of Police, South 24 Parganas and the Officer-in-charge of Karaidanga Police Station, no steps have been taken.

The petitioner's main contention is for carrying out construction of dwelling house which is being resisted by the private respondents.

Learned advocate for the private

respondents submits that the record of rights have already been challenged before the appropriate authorities. Learned advocate also submits that the private respondents have serious reservations in respect of such construction over the land in issue.

State has submitted a report which reflects that the police authorities have already taken steps and, to that effect, recorded a General Diary Entry being GDE No. 1820 dated 31.05.2025. The report also reflects that the petitioner never turned up at the police station for filing complaint against any person.

Having regard to the nature of the dispute complained of, I am of the opinion that the parties would better approach the civil court and the police authorities would continue their surveillance and ensure that no breach of the peace and/or tranquility takes place as also ensure that no untoward incident results

because of the inimical relationship existing between the parties.

With the aforesaid observations, WPA 14922 of 2025 is disposed of.

Pending application(s), if any, is also disposed of.

Report so submitted be kept with the record.

Parties to act on a server copy of this order duly collected from the official website of the Hon'ble High Court, Calcutta.
