Ms. Debolina Das

Heard the learned counsels for the parties.

Perused the case diary.

Considering the incriminating materials available against the present petitioners including the statement of the victim and other witnesses and the injury reports of the victim wife and her father (the injury report of the victim wife showing injury on left hand, sharp cut with exposed surface, broken bone and cut tendon), I do not consider this is to be a fit case for granting anticipatory bail.

Accordingly, the application for anticipatory bail to the petitioners is rejected.
