... for the respondent no. 9

The petitioner is aggrieved by the fact that inspite of the directions passed by the learned Civil Judge (Sr. Divn.), Baruipur in TS 82 of 2022, no steps have been taken by the police authorities.

According to the learned advocate for the ptitioner, there were specific directions upon the Inspector-in-charge of Joynagar Police Station, but, inspite of the same, the private respondents have been violating the order passed by the learned

civil court.

Learned advocate for the State has submitted a report which reflects that the police authorities have already drawn up a proceeding under Section 126 of the BNSS.

Having regard to the nature of the prayers which have been advanced in the present writ petition, I am of the view that since the learned civil court is already *in seisin* of the issue, if there are any breach of the order of the learned civil court, the petitioner would approach the civil court itself for remedies available for violation of the order of the learned civil court.

The police authorities are conscious regarding the dispute between the petitioner and the private respondents, as such, they would only interfere if there is violation of any law and order and/or if there is any direction from the learned

civil court.

With the aforesaid observations,
WPA 18068 of 2025 is disposed of.

Pending application(s), if any, is
also disposed of.

Report so submitted be kept with
the record. A copy of the report be
handed over to the petitioner.

Parties to act on a server copy of this
order duly collected from the official website of the
Hon'ble High Court, Calcutta.
