... for the respondent no. 12

The petitioner is aggrieved by the fact that inspite of permission being granted for installation of mobile tower, the same is being resisted by the respondent nos. 7 to 11.

Learned advocate for the respondent no.12 is present.

State has submitted a report.

The permission has been granted by the local Panchayat and other authorities.

If the permission still exists, in that case, it would be the duty either of the police authorities or the private respondents to get the permission first cancelled or, in the alternative, the police authorities will ensure that the petitioner is not resisted from any installation of Tower at the place where permission has been granted.

With the aforesaid observations, WPA 21397 of 2025 is disposed of.

Pending application(s), if any, is also disposed of.

Report so submitted be kept with the record. A copy of the report be handed over to the petitioner.

Parties to act on a server copy of this order duly collected from the official website of the Hon'ble High Court, Calcutta.
