...for the Municipality

The petitioner alleges that his co-sharers, respondent nos. 6 to 17 have undertaken construction on a jointly owned land without any sanctioned plan from the Dum Dum Municipality.

The report filed by the Municipality today before this Court, however, indicates that there was a sanctioned plan following which the construction was raised. The report further indicates a construction of 2805.60 sq.ft beyond the sanctioned plan.

Since the allegation of the writ petitioner that the relevant construction has been raised without sanctioned plan, is found to be baseless, I am not inclined to pass any order in this writ petition.

The Municipality shall be at liberty to take steps in accordance with law.

Accordingly, **WPA 21914 of 2024** is disposed of.

Urgent certified *website* copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
