WPA 21975 of 2019

State has submitted a report. Let the same be kept with the record.

I have considered the plight expressed by the petitioner particularly with regard to the communication made by the Junior Engineer, Baguiati Highway Sec-II, P.W. (Roads) Directorate to the Inspector-in-Charge, Rajarhat Police Station.

Presently, the petitioner is confronted with the issue relating to a small stall which the petitioner claims to have been installed illegally by the private respondents.

Having considered that the communication has been made earlier by the Government Officials and, subject issue for removal and/or demolition is exclusively

vested with the Municipal Authorities, I am of the view that if Municipal Authorities are approached and directions are passed upon the police authorities, the police authorities would render assistance through the Municipal Authorities for removal of such structure.

With the aforesaid observations, WPA 21975 of 2019 is disposed of.

Pending application(s), if any, is also disposed of.

Parties to act on a server copy of this order duly collected from the official website of the Hon'ble High Court, Calcutta.
