Mr. Ashique Mondal
... for the claimants/respondents

Re CAN 1 of 2024

CAN 1 of 2024 has been preferred praying for review of the order dated 8.8.2024 passed by this Court in FMA 2207 of 2016.

None appears for the applicant

Learned counsel for the claimants is present.

On perusal of the order under revision and the prayer for review this Court finds that no grounds has made out for invoking the review jurisdiction of this Court. The only contention as noted in the application is that the petitioner herein who was the

respondent has filed the prayer for review on the opinion of the Additional Director Law (LA KPD) dated 16.9.2024.

None appears for the petitioner on call.

Accordingly, CAN 1 of 2024 stands dismissed for default.

Review application also stands dismissed.

Necessary steps for execution of the said order be carried out expeditiously.
