...for the Respondent No. 7

1. The present writ petition has been filed raising a grievance that the West Bengal Administrative Tribunal (State Administrative Tribunal) without considering the petitioners' prayer for interim relief has fixed the next date on 6th February, 2025.
2. We find that earlier the petitioners had moved the Tribunal by filing an O.A. The O.A was numbered as O.A No. 1435 of 2009 and was finally disposed of. It is not in dispute that the matter had travelled up to this Court. The issue raised in the O.A was in respect of a notification dated 23rd September, 2009. It is the same notification in respect of which

the relief has been sought in the present O.A (O.A. 303 of 2024).

3. Since the same notification was subject matter of the earlier proceedings before the Tribunal arising out of O.A 1435 of 2009 and the same was finally decided, we do not find any infirmity in the fact that the Tribunal has not passed any interim orders without hearing the other side in respect of the present matter again raising an issue regarding the same notification dated 23rd September, 2009; in the year 2024.
4. Since the next date has been fixed on 6th February, 2025 we only observe that the Tribunal will proceed to dispose of the matter expeditiously without any undue adjournments or unnecessary delay. Any observation made in this order may not be deemed to be an expression of opinion on the merits of the matter pending before the Tribunal.
5. With such observations the writ petition is disposed of.
