None appears on behalf of the petitioner nor is  
any adjournment prayed for on their behalf.

The writ petition was filed as far back as on  
15 February 2022 seeking restraint orders in  
respect of a proposed shopping complex on land  
which has been leased out to the respondent no. 7.  
The petitioner further seeks setting aside of an  
approval dated 28<sup>th</sup> February, 2008 of a revised  
Master Plan approved by the State. Admittedly,  
there is no subsisting order of restraint or  
injunction in this proceeding. The matter has been  
pending and affidavits have been completed.

On behalf of the respondent no. 7, it is submitted that the present writ petition is an abuse of process of law and there are five separate writ petitions covering the subject matter of this petition which are already pending before this Court.

In view of the non-appearance of the petitioner even in the second call, WPA/307/2022 stands dismissed for default. Accordingly, CAN/1/2022 also stands dismissed as infructuous.
