In Re: **CAN 1 of 2025**

This is an application for re-imposition of an interim order dated **April 29, 2024** at **page 9** to the application. The interim order was extended time to time and last of such extension was on **July 30, 2025** at **page 14** to the application which has expired on **August 31, 2025**. The application has been filed on **September 3, 2025**.

Considering the law which is well settled that procedural laches or due to the laches on the part of the learned advocate the substantive justice towards the litigant shall not suffer, the original interim order dated **April 25, 2024** stands re-imposed/re-instated and the same shall continue till **December 15, 2025** or until further order, whichever is earlier.

Accordingly application being **CAN 1 of 2025** stands **allowed**, without any order as to costs.
