An order of the Civil Judge Junior Division at Siliguri dated 20th June, 2024, passed in Title Suit No. 178 of 2022 is under challenge in this case.

It appears on the face of the record that the order as above has been passed on consent, so far as the appointment of Survey Passed Commissioner for surveying the alleged encroachment of the plaintiff's land in L.R. Plot no. 122, is concerned.

Hence, I find little or no scope to challenge the said order on consent by any of the parties. Therefore, the present revision is found to be bereft of any merit and requires to be dismissed being not maintainable.

Accordingly, CO/217/2024 is
dismissed.
