1. Learned advocate for the petitioner alleges that the direction passed by the Court for providing an opportunity of hearing to the petitioner after conducting spot inspection has not been complied with. 4. The petitioner submits that the urinal was not used for a long time. It has been put to use very recently. The same is not cleaned on regular basis.
5. As it appears that the urinal has been constructed for public convenience and is in existence for nearly twenty years, accordingly, the Corporation is directed to regularly clean the urinal at least twice a day so that the same remains hygienic and free from any foul smell. The public convenience should not cause any inconvenience to the members of the locality.
6. The contempt application stands disposed of.
