SHAILESH P. BRAHME, JJ.
DATE : 27TH JANUARY, 2025.**

ORDER :

. Heard the respective counsels. The applicants have a case that their age of retirement is 62 years. However, by the impugned government resolution it has been reduced to 60. Though, as per the government resolution they have been shown to be retired, but still they are discharging their duties.

2. By way of present civil applications they prayed to direct the employers/respondent Nos. 1 and 2 to process the pension papers of the applicants and pay regular pension and other benefits. The learned counsel for the applicants would rely on the interim order passed by the Division Bench at Nagpur in Writ Petition No. 1810 of 2024 dated 18.11.2024.

3. Admittedly, the applicants have crossed 60 and as per the impugned government resolution, they have retired. Since the issue of age of retirement has been considered by the Coordinate Bench, we find that the applicants are entitled for the same relief.

4. Hence the civil applications stands disposed of by directing the respondent Nos. 1 and 2 to start the process of the pension of

the applicants within four (04) weeks from today and to take appropriate steps to pay them regular pension on their retirement at the age of 60 years on condition that the applicants would not claim any benefits or entitlement for anything or any monetary dues. However, they would continue to discharge the duties without any emoluments.
