4. It is well settled principle of law that the transfer of matrimonial proceedings between the husband and wife can be transferred at the convenient place of the wife to avoid her exercises and travel journey to attend the legal proceedings. The present Applicant is the husband who carries the business at Chhatrapati Sambhajanagar (Aurangabad), whereas the non-applicant No.1 / wife is residing at her parental house at Nalgir, Taluka Udgir, District Latur. All the matrimonial proceedings are pending before the learned J.M.F.C., Udgir, District Latur. Therefore, I do not find that the Applicant has made out substantial grounds for transfer of the proceedings.

5. In view of the above discussion, the present Application is dismissed.

6. The learned trial Court shall consider the application of the present Applicant / husband for keeping all the matters on one date.
