PER COURT :

Heard.

2. The petitioners, who claim to have lost opportunity to secure admission through NEET (UG) 2024 last year for want of certificates of validity, are again anxious to get their claims decided by the scrutiny committee for validation of the tribe certificates.

3. The learned A.G.P. submits that the petitioners submitted the proposals/claims as late as in the month of August 2024, and the committee would need six months time to decide it finally.

4. The writ petition is disposed of with a request to the committee to consider the petitioners' exigency and may decide the proposals at the earliest, however, in any case within four months.
